

Disease Situation Report

Generated by SORMAS

July 2, 2021

Since July 2, 2021, the Robert Koch Institute (RKI) has been publishing the English version of the COVID-19 situation reports for Germany on a weekly basis. Information on the daily epidemiological situation is available on the RKIs online COVID-19 dashboard. In addition, the RKIs website provides daily situation reports in German, information on vaccination data and from the intensive care registry, as well as other regularly uploaded data. [Information sources at provided at the end of this report].

The following information is provided in this situation report: Overview on the epidemiological situation, demographic distribution of cases, surveys on laboratory tests of SARS-CoV-2 in Germany, and information from additional RKI-based surveillance systems.
